BEAR CATS MAY UPSET THE DOPE

TOMORROW IN GAME WITH WESTMINSTER BLUE JAYS

M'BRIDE TO OFFICIATE

All Of Squad Will Be In Good Shape When Players Take the Field—Lawrence Makes Statement

The State Teachers College Bear Cats, smarting under the sting of the defeat they suffered at the hands of the Warrensburg Mules, last week, are determined to stage a come-back that will humiliate the Westminster Blue Jays in the game tomorrow on the local College gridiron. The Warrensburg defeat was an up-set to the Maryville players but has served to make the squad work harder in the practice this week in preparation of the game with the Blue Jays.

None of the Maryville squad will be on the hospital list when the Bear Cats take to the field and the strongest line-up possible will be placed in action. H. Frank Lawrence, coach, said this morning, "As far as I am personally concerned the Bear Cats can beat the Blue Jays if they will." Coach Lawrence has been working hard with the men in skull practice and scrimmage and has a well-rounded-out squad.

Student pep is becoming evident at the College and short pep assemblies will be held between classes all day tomorrow to instill more pep in the Bear Cats. A band will be on the field to furnish music for the occasion.

C. E. McBride, sport editor of the Kansas City Star, will officiate the game tomorrow.

On advance dope the conference critics predict a victory for the Westminster team. The Blue Jays held the William Jewell warriors to a 3 to 0 score. However, the Bear Cats have proven in the past to be a team that upsets the best of dope and it is certain that if the local squad can hit the stride it developed in the Springfield game the Blue Jays are doomed to a defeat. Last year these teams played to a scoreless tie.

The officials of the College desire students and townspeople to rise, take off their hats, and join in the singing of "Alma Mater" when the game is over tomorrow afternoon.

This is the official song of the University of Missouri, and the one used here is an imitation of "Old Missouri," perhaps the most popular university song in the United States. It is exclusive with Missouri in the valley.

At the end of each football game in which the Missouri Tigers participate all Missourians rise, uncover and join in the singing of this song which has become a classic. Wherever a graduate of the University of Missouri is found, this same spirit prevails. Win or lose—the Tiger supporters rise and pledge loyalty to their school. This one thing has made the University of Missouri known over the entire United States. It inculcated the famous "Missouri Spirit" which was really born in 1909, or the time "Bill" Roper of Princeton came to coach football at Tigertown.

It is desired that something of this sort be started at the College here and all attending the game tomorrow are requested to respect the singing of the school song.

Declare Tie in Raking Contest Held Yesterday

Cook and Baker Carry Off First Honors In Country Club Leaves Elimination Contest

The grounds committee of the Maryville Country Club wishes to thank the members who worked so faithfully and hard yesterday afternoon on raking the leaves on the fairways of the golf course. The members in the raking leaves contest were the Rev. Joseph A. Cooper, L. C. Cook, George B. Baker, Charles F. Remus, F. C. Miller, H. Frank Lawrence, and Sam McClurg.

It was nearly impossible to decide which one raked the most leaves but it was thought the honors should go to Mr. Cook and Mr. Baker, due to the fact that they never had any experience in this kind of work.

Returns From Evanston.

Miss Lula Mae Curfman, a sophomore at Northwestern University, Evantson, Ill., arived this morning to visit her parents, Mr. and Mrs. F. L. Curfman, 548 West Second street.

To Give Program at White Cloud Church

The gospel team of the First Baptist Church will give a program at the White Cloud Church, south of Maryville, at 3 o'clock Sunday afternoon. This will be the second gospel team program to be given at this church. The first program was given about a month ago. A special program has been arranged for this Sunday. Cars will leave the church here at 2:30 o'clock and all those wishing to go out to the White Cloud Church are requested to be there by this time.

NINE ORPHANS ARE PLACED IN HOMES

ANOTHER CHILD IS LOCATED TEMPORARILY

MR. SWAN IS PLEASED

With Homes In Which He Placed Kiddies—He and Wife Leave For Sedalia

Nine out of ten orphan children that were brought here by Mr. and Mrs. J. W. Swan from the Children's Aid Society of New York have been placed in homes in Nodaway and Holt counties. Mr. and Mrs. Swan have been making Maryville their headquarters since last Friday and since then have investigated the homes of the persons that applied for the children that were in the party.

The children have been placed in the following homes:

Ruth Brown, age 12, placed with William A. Miller of Maryville.

Eva May Knapp, age 7, placed with John K. Shades, five miles northwest of Maryville.

William A. Knapp, age 12, placed with John K. Shades, five miles northwest of Maryville.

Clifford A. Knapp, age 10, placed with Claude N. Johnson, two and one-half miles north of Arkoe.

Francis Seegler, age 5, placed with Claude N. Johnson, two and one-half miles north of Arkoe.

Harry Wright, age 12, placed with W. H. Burr, seven miles north of Maryville.

E. Oliver Wright, age 8, placed with O. J. Gray, three and one-half miles southeast of Pickering.

Kenneth Peck, age 10, placed with Ery Bosch, one mile south of Pickering.

William Wilkins, age 10, placed with John Doval near Maitland.

The tenth child, Joseph Garcia, has been placed only temporarily with Mrs. J. W. Terry with a view of locating him in a home later. Anyone wishing to take the child should apply to members of the local committee who are S. H. Kemp, Walter Mutz, H. T. Leet, C. L. Gann, L. C. Cook and G. B. Roseberry.

Mr. Swan said that he was very well pleased with the homes in which he placed the children. He, with Mrs. Swan, are leaving this afternoon to take a child to Maitland to visit with some relatives. From Maitland they will go to their home at Sedalia.

Unmasked Youth Gets $700 in Bank Robbery

Eudora, Kan., Nov. 15—A lone youth, on the pretense of getting change for a $10 bill, covered two employes of the Kaw Valley State Bank, gathered up $700 in cash and escaped.

The youth was unmasked. He escaped in a roadster, driving towards the north where authorities are searching for the robber.

Wolfe and Barackman Will Tussle Tonight

For Championship Honors Over McMurry's Garage — Preliminary Match at 8 o'Clock.

The two most touted middleweight wrestlers of Missouri will meet tonight to decide who is entitled to claim official championship of the state. Mervin (Hudson) Barrackman, who has made Maryville his headquarters for a considerable period and undefeated in the state for three years, and Billy Wolfe, who is hailed by many metropolitan papers as the title holder, will lock arms on the mat tonight over McMurry's Garage.

A preliminary has been arranged to start at 8 o'clock. Miss Victoria Stone, weight 65 pounds and Jack Barackman, 66 pounds, will give an exhibition match for a few minutes.

FRANCE WILL NOT PUSH AGREEMENT

POINCARE GOVERNMENT MAY DECIDE TO "GO IT ALONE"

TO OCCUPY HAMBURG

In Return For Violations By Germany Of Treaty Of Versailles—Stinnes Conference Explained

Paris, Nov. 15—Even if the inter-Allied Council of Ambassadors decides not to invoke any new penalties upon the Germans, they will act alone against the Germans considering that occupation of the Ruhr and Rhineland is sufficient guarantee of the safety of reparations payments, it was learned in authentic political circles today.

There are indications that France will not press the allied powers to agree to the occupation of Hamburg in retaliation for the following action by Berlin:

First, Permitting the former crown prince to return.

Second, Reported decision to cease all reparations payments and to disregard the Versailles treaty.

Third, Refusing to agree to the re-establishment of allied military control.

The foreign office explained the failure of the negotiations with Hugo Stinnes in Dusseldorf to increase industrial and mining production. Stinnes attempted to insert political clauses in the proposed agreement, urging the allies and Germans to re-establish reparations negotiations. He refused to sign a purely technical agreement.

Red Cross Solicitors Meet With Success

Men, Women and Children Joining In Membership Drive—Expect To Finish Campaign Saturday

Solicitors that are convassing the city in the Red Cross Roll Call drive that opened this morning are meeting with good success. Henderson Aley and Ray O'Grady, who are captains of the ex-service men that are going to all the houses, said that they met with good response.

More than twenty ex-service men started out this morning, the city being divided into several districts. Parents and the children as well are signing up with the Red Cross for this year's membership. Most of the memberships secured were for one year, although a few gave $5 and one $25 membership was given this morning.

The boys checking up at noon found that more than four hundred dollars had been contributed for memberships.

There will perhaps be many in the city whom the solicitors will not be able to see and these persons can send their money or checks to the Red Cross rooms in the Michau Building or to Ray O'Grady and Henderson Aley. The campaign by the solicitors will undoubtedly continue until Saturday when the ex-service men hope to finish the drive.

Hugo Stinnes, Jr. Arrives in K. City

Is Making Tour Of Mid-Continent Oil Fields—Denies His Father Has Formed Alliance

Kansas City, Nov. 15 — Hugo Stinnes, Jr., son of the industrial emperor of Germany, arrived here at 7:30 o'clock this morning aboard his special train from Coffeyville, Kan. In the party were Mrs. Stinnes and members of the Sinclair oil interests.

Stinnes is on a tour of the mid-continent oil fields. The son of the German industrialist denied emphatically that an alliance was being formed between his father and the Sinclair interests and other big continental operators.

Fay Bellows Residence Sold to St. Joe Doctor

Fayette Bellows sold his ten-room, modern residence, located at 403 West First street, yesterday to Dr. John LeGrand Baker of St. Joseph for $8,500. Dr. Baker formerly practiced optometry in Maryville. The deal was made by Allen Brothers. Mr. Bellows gives possession December 15. Mr. and Mrs. Bellows have made no definite plans for the future and may decide to continue their residence in Maryville.

IF DREAMS COME TRUE.

The Maryville High School Spoofhound football eleven will score at least one touchdown against the Savannah High School team tomorrow when these teams clash, if dreams come true. Harold G. Ebert, coach of the High School squad, remarked this morning that while he was slumbering peacefully last night he was visited by a beautiful dream. He says the Spoofhounds were playing Savannah and he saw "Weinnie" Willoughby, quarterback, get away down the sloping Savannah gridiron for a 30-yard run for a touchdown.

Maryville rooters are hoping that Ebert's dream may come true and it is not impossible, as it is reported that at one time "Phog" Allen, University of Kansas mentor, had the same kind of a dream that actually materialized.

WALTON ACCUSED OF PARDON SALES

PROSECUTION SAYS CLEMENCY COULD BE PURCHASED

FEES RANGED TO $5000

Pardons Frequently Granted Over Protest Of Those Living In Community, Rep. Salter Says

Oklahoma City, Nov. 15—Flagrant abuse of pardon and parole powers was charged against Governor J. C. Walton in his impeachment trial today.

In an opening statement as to expected proof the state board declared that issuance of pardons and paroles and leaves of absences from jails and the penitentiary was made a regular business by the governor.

Governor Walton was accused of having issued 274 pardons and paroles illegally. The governor, it was said, issued pardons in blank to certain persons prior to their arraignment in court. These persons, on plea of guilty and sentence being given, would immediately produce their pardons and were released.

"In other cases," Representative Leslie Salter for the state said, "pardons and paroles for certain convicts were given Walton's agents. These agents went to the convict's friends and relatives and did not deliver them until the required fee was forth-coming."

Fees ranged up to $5,000, it was charged.

"Clemency was frequently granted over the protests of persons living in the community where the prisoner was convicted. Demands made on the governor that paroles be revoked were met by the convict receiving a complete pardon," Salter declared.

The governor was accused in this charge of "willfully and corruptly violating his oath of office."

The pardon and parole article was taken up after the cross examination of Dr. E. T. Bynum, former counsel to the governor, as to the Tonkawa bribe case.

Car Turns Over in Ditch Near Wilcox

A car driven by Harry Bennett of Renwick, Ia., and accompanied by his grandparents, Mr. and Mrs. E. A. Hawkins who live southeast of Clearmont, turned over about 5 o'clock yesterday afternoon about one-half mile north of Wilcox. Mr. Bennett was cut and scratched about the face from the flying glass and Mr. and Mrs. Hawkins was bruised some.

The accident happened when the car struck some soft dirt and turned into a ditch by the side of the road. These people had been in Maryville and were on their way home when the accident occurred.

Poultry Catalogs Have Been Finished

The poultry catalogs of the Northwest Missouri Poultry Association for the twenty-second annual show to be held in Maryville December 4, 5, 6 and 7, are completed. These catalogs may be obtained from Mrs. Alfred Jones, secretary of the association, or Judge J. H. Sayler.

Miss Elizabeth Cole left for Kansas City this morning where she will attend a meeting of Southwest Bell Telephone operators.

13 QUINTETS ENTER COURT TOURNAMENT

DRAWINGS WILL BE MADE AT 8 O'CLOCK FRIDAY MORNING.

MANY COME IN TONIGHT

Games to Be Played at College Gymnasium — Championship Game Scheduled for Saturday Night.

More than one hundred players and their coaches are expected in Maryville tonight to take part in the basketball tournament of the Northwest Missouri High School Association that will be held at the College gymnasium tomorrow and Saturday for the outdoor championship. The basketeers will make their headquarters at the Chamber of Commerce, where all information and results of the games will be available by calling Hanamo 639, or Farmers 120.

The official list of entries in the tournament has been completed. Drawings will take place at 8 o'clock tomorrow morning at the College. Each entry will be given a number.

After the drawings are made to see what teams will be competitors for the elimination process, the first game will commence at 9 o'clock in the morning. One game will be played each hour until noon. No basketball games are scheduled for the afternoon on account of the football game that will be held on the College gridiron.

It is planned to have three games played tomorrow evening and all day Saturday will be devoted to the tournament. Saturday evening is the time when the championship of the district is to be decided. Thirteen teams have been entered from this district to take part in the tournament.

The following is the official entry list and the county the team will represent:

Clinton County—Converse.
Nodaway County—Pickering.
Clay County—Holt.
Gentry County—Darlington.
Holt County—Maitland.
Harrison County—Gilman City.
Daviess County—Jameson.
Buchanan County—Faucett.
Grundy County—Galt.
Ray County—Central Consolidated High School, Hardin.

Worth—Sheridan School.

L. M. Cox Dies at Kansas City Hospital

Father Of Dr. Gilbert S. Cox, Former Pastor Of First Methodist Church In Maryville

L. M. Cox of Kansas City, father of Dr. Gilbert S. Cox, former pastor of the First Methodist Church in Maryville, died Tuesday at the Research Hospital in Kansas City. His death was due to paralysis brought about by injuries received in an automobile accident four years ago. The funeral will be held at 1 o'clock tomorrow afternoon in the Trinity Methodist Church. The Rev. Fletcher Homan, pastor of the church, will officiate, assisted by the Rev. G. P. Baity, pastor of the Westport Avenue Presbyterian Church, and the Rev. Samuel D. Harkness, pastor of the Immanuel Presbyterian Church. Burial will be in Buckner, Mo.

Mr. Cox had been land and tax commissioner for the Kansas City Terminal Railway company for fourteen years, but in the last nine months his illness forced him to be absent from his business a large part of the time. Although he was a native of Indiana, Mr. Cox had lived virtually all of his life in Jackson county and for the last twenty-five years had resided in Kansas City. He was 69 years old. Mr. Cox was a prominent figure in Republican political circles in Jackson county for many years. Previous to his connection with the Terminal company he held the position of chief deputy in the county assessor's office for eight years.

He is survived by the widow, Mrs. Julia S. Cox, and two sons, Dr. Gilbert S. Cox, pastor of the Indianola Methodist Church at Columbus, Ohio; and Ernest L. Cox, dean of the college of music in Kansas Wesleyan university, Salina, Kan.

Mr. Cox was well known in Maryville having made frequent visits to his son's home during the latter's eight years' pastorate of the First Methodist Church.

S. B. Craven of Orrsburg was a Maryville visitor Thursday.

Divorce Suit Is Filed by Bertha V. Badders

A divorce suit was filed yesterday afternoon in the Circuit Clerk's office by Bertha V. Badders, naming Fred M. Badders as the defendant. Mrs. Badders in the petition claims grounds for divorce for non-support and she was forced to make her own living and buy her own clothes.

The plaintiff and defendant were married June 30, 1921. Mrs. Badders asks to be divorced from bonds of matrimony and that her former name of Bertha Gant be restored. She now resides in Nodaway County.

BANK OFFICERS ARE ROBBED OF $20,000

TWO BANDITS STAGE QUICK HOLD-UP IN KANSAS CITY.

NO SHOTS ARE FIRED

J. N. Altringer, Cashier, And A. R. Kier, Paying Teller, Both of Argentine State Bank, Victims.

Kansas City, Nov. 15—Two officers of the Argentine State Bank were held up and robbed of $20,000 in cash which was being taken to the bank to meet a pay-roll of the Santa Fe Railroad.

Two bandits figured in the hold-up and the robbery was executed without a shot being fired.

The bandits, riding in a large touring car, drove carefully alongside that in which the bank employes were seated. They rapped on the car with the butt of a ravolver and forced them to hand over the bag of money.

J. N. Altringer, cashier, and A. R. Kier, paying teller, were riding in a coupe with the cash, which was in $20 bills. The bandits rode in an expensive car and police were given a good description of them by the victims of the robbery. The bank officials told the police that the bandit who stood on the running board of the other machine wore a dark cap and had the lower part of his face masked. Both robbers, who were about 25 years old, were fairly well dressed, police were told.

Executing the robbery carefully and and without attracting the attention of passers-by on the street, the bandits sped away in their machine. The report of the robbery was quickly given police and a thorough search of the industrial district is being made today.

To Dedicate Church at Clearmont Sunday

The Rev. Dr. Burris Of St. Joseph, Dr. C. C. James Of Maryville and Others To Participate

The dedication of the $12,000.00 Methodist church at Clearmont will take place Sunday, November 18.

An all day meeting is planned with a basket dinner in the church basement. A record crowd is expected the invitation being general to all.

Much interest has been manifest in this church enterprise, the type of building itself being unusual for a small town. The building is modern, with full basement, for social needs, fine auditorium with bowled floor, pastor's study, and entrances so arranged as to be convenient to their purposes. The exterior architectual design is semi Gothic, stucco finish.

This enterprising town is to be congratulated on such a fine structure of this kind, church buildings in small towns usually being of the common box type devoid of any beauty or utility. The pastor, Rev. E. R. Ingram, was an architect before going into the ministry and it is due to his untiring efforts that this work was brought to such a successful conclusion.

The Rev. Dr. Burris of St. Joseph, will have charge of the dedicatory services, assisted by the pastor. Also Rev. Dr. James of the First Church of Maryville and other ministers will be there and a great day is being planned several from Hopkins expecting to attend.

H. S. Band Plans to Go to Savannah Tomorrow

The Maryville High School band is planning to go to Savannah tomorrow with the football team to furnish some enthusiasm at the game.

A pep assembly was held at the High School this morning during the noon hour.

MISSOURI ASSN. IS SERVING CITIZENS

ROY S. RAUSCHKOLD OF ST. LOUIS AIDING IN ORGANIZATION

TO NAME COMMITTEES

At Least Seven Persons For Each County Will Be Appointed To Assist In Work

A state-wide organization of the Missouri Association is being perfected under the supervision of George A. Pickens, general secretary, and Roy S. Rauschkold of the development service bureau of the St. Louis Chamber of Commerce. The latter was in Maryville yesterday and today for the purpose of organizing Nodaway County.

A committee, consisting of not less than seven persons in each county of the state, will be appointed to carry on the organization work. This committee shall consist of farmers, business men, town women, country women, professional men and bankers. These persons will carry on the work of the association in their particular county.

A state-wide meeting will be held after this organization work is well under way. The meeting, the place and time of which will be announced by J. F. Hull, president of the association, will be for the purpose of formulating further plans for the carrying on the "boosting" idea of the organization. All committees will be represented at this meeting.

Recently, the Farm Bureau Federation took out an association membership and is co-operating with the organization in every way possible. Jewell Mays, secretary of the state board of agriculture, is also aiding in the carrying on of the organization work.

In the meantime, the Missouri Association is rendering actual service to the people of the state, Mr. Rauschkold told a Democrat-Forum reporter this morning. It is giving out interesting facts about the resources and possibilities of Missouri. In other words, it is "selling Missouri to Missourians." Then the association is aiding local organizations in the solution of community problems. It is co-operating with Chambers of Commerce throughout the state.

A state-wide advertising campaign will be started in the near future, Mr. Rauschkold said this morning. The purpose of this campaign will be to familarize the citizens of Missouri with their own state and enable them to appreciate its vast resources and opportunities. If this is successfully done, Mr. Rauschkold said, the emmigration out of the state would be considerably lessened.

The Pacific Cost states are raising a fund of six million dollars for the purpose of carrying on advertising campaign to attract people to these states. If Missouri is to hold her own and stem this tide of emmigration to the West, the people must be educated and sold on the "Missouri ideal" the association representative said.

After the people of the state are sold on Missouri, then the association will launch a campaign to "sell Missouri to the citizens of other states" and encourage an influx of population. The state can easily care for ten million persons within its borders, Mr. Rauschkold said.

The Nodaway County committee will be announced later.

Receives Word of Death of Her Aunt

Mrs. J. H. Thorp received word today of the death of her aunt, Mrs. A. S. Judy of Burr Oak, Kan., which occurred at 6:30 o'clock last evening. Funeral services will be held at 2:30 o'clock Saturday afternoon at Burr Oak. Mrs. Judy was about 72 years old and had been failing in health for two years. She was a sister of Mrs. Thorp's mother, the late Mrs. C. W. Thorp, and was born and reared in Nodaway County. She was a member of the J. W. Pennington family of eleven children, seven of whom survive.

Mrs. John Sewell will go to Graham tonight to visit her brother, W. E. Freytag, and her sister, Mrs. E. L. Morgan, for a few days.

THE WEATHER

Fair and somewhat colder tonight lowest temperature about 34; Friday fair with moderate temperature.

HOW DO THEY DO IT?

St. Louis Globe-Democrat.

Ireland has had so many grave problems that some of its simpler ones, which are not characteritsic of Ireland alone, have been partly obscured. One of these is the housing problem, and it speaks well for the Irish Free State that considerable progress toward a solution of housing difficulties has been made recently. It is true that the Free State Government is only furthering a movement that was begun before the war, in which government co-operation resulted in the erection of thousands of dwellings in the rural districts, but it is giving greater attention. An act of the Dail set aside 1,000,000 pounds for urban housing. At a result, it is said, nearly 2000 houses have been constructed or are in process of construction.

But the remarkable fact in connection with this attempt to relieve the housing shortage in Ireland, from the standpoint of other countries, is that construction costs have been reduced almost one-half. It is reported that houses which two years ago cost between 1100 and 1200 pounds now can be erected for about 600 pounds. This great reduction undoubtedly is to be explained in a large measure by the settlement of other problems that overshadowed that of housing, but it still must remain a deep mystery in countries where building costs have continuously mounted and show as yet no disposition to do otherwise. While apparently a wise provision in Ireland, where the housing situation remains very acute, a government subsidy for housing is not to be suggested for a country where even a ship subsidy, of more limited scope and better justified by conditions, met with much opposition. It may be, however, that even at this early stage of its existence the Irish Free State could unfold something of instruction for the United States. The establishment of our own government and the principles laid down by its founders afforded lessons to other nations which exerted a strong influence on subsequent events, in Ireland as elsewhere. But in spite of our success and greater maturity as a government, the fact remains that the Free State, a mere infant, has us beat for the time being in one particular. Building costs are going down rapidly there and here they are almost as rapidly going up. And it is one of the most serious problems that we are up against. Nor is there anything to learn, for our salvation. The secret that will reduce building costs one-half is, apparently, possessed only by the Irish Free State.

A thoroughly tired auto makes a thoroughly tired man after one or two blow outs.

We have homicide, fratricide, suicide and others. Why not keep up with the times and add autocide.

Many a man who has to be hauled five blocks to work in the morning will go out and play twenty-seven holes of golf in the afternoon for the exercise.

Baseball may be the "national game" in this country but politics is the national indoor, outdoor, all-the-year-round sport and a new spasm will soon be on.

Women are all right in politics but just wait until one is elected circuit judge and another supreme judge in the same state and the supreme judge overrules the decisions of the lower court.

About the most useless money we have is the two dollars bills. People generally don't like them because they are neither numerous enough nor important enough to keep to themselves and often get mixed up with the ones and are counted as ones. The sporting fraternity believes they are laden with some sort of bad luck and won't have them. As long as we have plenty of ones and fives, there is mightly little use for the two dollar bills. Most people don't even know whose picture is on them.

When an advertiser buys space in a newspaper he should help to get the very best results by getting his copy i nearly. Late copy frequently causes a congestion during the busiest part of the day which makes it necessary either to leave out some advertising or be late in going to press. This defeats the very purpose of the advertising because a paper that is delayed is not read so closely as one on time nor can that paper keep its subscribers in a good humor. Advertising is an important part of every merchants business. It is one branch of salesmanship that should be given serious consideration and be attended to as promptly and with as great care as any other branch of buying or selling. It costs money to produce it; it costs money to buy it and it will produce the greatest returns of any like investment when intelligently handled. When a farmer rents ground his profit depends on getting the biggest and best crop possible out of the ground he has rented. Advertising space is the ground the merchant rents and his crop depends largely on the way he handles it.

No Greater Attraction Tsan Gospel of Christ

Than When Properly Presented, the Reverend Hamilton Said At Tabernacle Last Evening

"The Conversion of a Government Official" was the subject used by Evangelist O. E. Hamilton in the tabernacle meeting last night. The sermon was taken from the eighth chapter of the Acts, and had to do with the conversion of the Ethiopian. Mr. Hamilton called attention to the scripture that Philip the preacher, ran to the man to be converted in his desire to give him the word of life. "It is the duty of church members to actually run to men outside in their desire to lead them to Jesus Christ," said Mr. Hamilton. "Too many supposed-to-be Christians are satisfied to just walk and many are even waiting for the unsaved to find them, before they will break to them the Word of life.

"Philip preached Jesus, the record says. This is the great theme for the soul winner. Nothing else will save a ruined world or a ruined soul. Jesus is the great life-giver, and it is our business to preach Him. We fly off on tangents often times and preach everything alse under the sun but Jesus Christ, in our desire to attract the world to us or our church, and neglect the greatest theme of the ages, Jesus Christ. I want to say to you that there is no greater attraction in the world than the gospel of Jesus Christ when properly presented. The world is hungry for Him and the people will be drawn by Him, if only His people will adequately represent Him to the world, by word and by deed."

There were six more responses to the invitation last night. Several were baptized again and others will be baptized at 7:15 o'clock tonight. A good sized crowd attended, and especially were the special delegations large. Mrs. Dwight Swinford's Sunday school class of young men, from Arkoe attended the service in a body last night. Ravenwood had a large delegation also.

Tonight is special delegation night for Hopkins, Pickering, Bedison and Gaynor. Special service for women tomorrow night and the message in sermon and song will be in special honor of mother. The ladies will all be seated in the center section. Saturday is to be the big service for the Nodaway County children, at 2:30 after which there will be a parade and moving pictures will be taken.

Miss Ruth Watson, a student at the College, went to Pickering last night to act as substitute in the public schools for the rest of the week.

FARM DESERTION THREATENS NATION

INTERSTATE COMMERCE COMMISSION IS TOLD TODAY

RATE REDUCTION NEEDED

Transportation Costs Out Of Proportion To Crop Values, J. F. Coupe Of Des Moines Says

Kansas City, Nov. 15—Agricultural depression in Iowa since the war was pictured as causing an unprecedented number of mortgages and bank failures, J. F. Coupe of Des Moines, assistant secretary of the Iowa Farm Bureau Federation, testified before the freight rates hearing before the Interstate Commerce Commission here today.

Coupe's testimony was introduced to show that revision of freight rates is necessary to alleviate the depression which has existed among Iowa farmers since the war. He was assisted in his testimony by J. H. Henderson, counsellor of the Iowa board of railroad commission.

Statistics were submitted by Coupe on five Iowa counties which, he said were corrected by the Iowa State College at Ames and were typical of the entire state.

Middle Western farmers never were in a worse condition than now, Coupe asserted.

Eight Middle Western states are involved in the hearing before the Interstate Commerce Commission which is for the purpoes of determining whether a reduction of freights is necessary at this time.

Clyde M. Reed, chairman of the Kansas Public Utilities Commission, declared that witnesses would be introduced today to answer the commission's querry, "Does the Middle Western farmer really need help?

John Tromble, president of the Kansas Farmers' Union, testified that unless something is done to materially relieve the farmers, a general exodus of agriculturists from the farms threatens the nation.

Six per cent of Kansas farmers are forced to borrow money from the bank to pay their taxes, he declared.

It was pointed out that the farmer's plight is due to his inability to keep his operating expenses within his income. Year after year, the farmer is forced to make inroads on his reserve capital and disaster is threatened unless something is done to help him.

Examination yesterday of Dr. H. J. Waters, former president of the Kansas State Agriculture College and now editor of the Kansas City Weekly Star, that upon freight rates depends the future of the American farmer. Increased rates subtract from the farmers' small profits and a reduction of rates would add to his income, Dr. Waters said.

Dr. H. J. Waters suceeded Coupe on the stand. He testified that present adverse agricultural conditions, if they continue, may create class consciousness among the farmers which would be highly detrimental to the nation as a whole.

"The farmer is not yet class conscious," Dr. Waters said, "but his present difficulties are very likely to make him so."

RED CROSS HELPS WAR'S SUFFERERS

Aids 200,000 Veterans and Their Families—27,000 Disabled Still in Hospitals.

SPENDS $5,866,255 IN YEAR

Individual Attention Assured to All Physically Ailing or in Distress.

Washington. — War service five years after the armistice, which on November 11 the American Red Cross marks with the opening of the annual membership canvass, shows that during the past year assistance was extended by the Red Cross to some 200,000 ex-service men or their families. To 130 hospitals throughout the country approximately 75,000 ex-service men were admitted for treatment, and to 63,296 of these men definite and specialized service was extended, the Red Cross annual report discloses. In all hospitals under government operation a total of nearly 27,000 disabled veterans were reported by the Surgeon General of the Army.

These facts of the aftermath of physical and metal disability five years after the World War, and the burden resting upon the relatives and dependents of the ex-service men, show conclusively the great need of the Red Cross to act as a supplementary arm of the government in service to these many thousands of men who wore the uniform of the United States. It should be emphasized that government assistance is necessarily standardized along specified lines affecting them as a whole. The Red Cross service is to the individual man and the solution of his problems. This the Red Cross designates "home service" for its aims to give the loving care and interest of the home to these men undergoing physical reconstitution far from their actual home influences.

Year's Expenditures $5,866,255

In the year ended last June 30 the Red Cross reports $3,920,000 spent by its Chapters in extending individual attention to the ex-service men and $1,946,255 spent by National Headquarters of the Red Cross, a total of $5,866,255. In behalf of the men called to duty in the World War the Red Cross since July 1, 1917, has spent nearly $164,000,000. Today there are 2,608 Chapters in as many localities carrying on this work, aiding the individual veteran, assisting his family, furnishing creature comforts and funds to tide over troublesome periods.

The strong connecting link between the Red Cross and the United States Veterans' Bureau takes the complications out of difficult cases of claims. The Red Cross in this work requiring personal representation of the ex-service man has acted in appeal cases, insurance matters, personal and family problems, camp and hospital activities, and in cases of death. This service handled nearly 12,000 compensation and insurance claims, and 2,225 allotment and other claims.

Solves Serious Problem

The financial problem of the ex-service man when traveling to and from hospitals is a serious one, and in meeting this constant demand the Red Cross expended $138,334.17 during the year. For extra recreational equipment in Veterans' Bureau training centers $14,306 was spent, and for the blinded veterans in the government school funds were supplied to enable some of these unfortunate men to enter business as storekeepers and poultry raisers.

In Veterans' Bureau hospitals the record of a single month illustrates the large service rendered by the Red Cross. For example, 15,504 new cases required attention, and a total of 26,007 cases were acted upon; 49,368 letters and 1,863 telegraph messages written, and more than 1,600 entertainments given in recreation houses for the benefit of the patients.

Authorities declare that the present is a critical time in the lives of many of the disabled ex-service men who during the five years since the armistice have developed misgivings of recovery.

Work Among the "Regulars"

Service to the enlisted men of the Army, Navy and Marine Corps is a charter obligation of the Red Cross, which in the last year recorded over 200,000 cases of assistance extended and 834,420 visits to the sick and disabled. Inquiries by the Red Cross at the request of Government authorities into the home conditions of soldiers, sailors and marines aggregated 17,714, and there were nearly 6,000 instances where the Red Cross located men for their families.

All these activities constituting a single responsibility of the American Red Cross demonstrated during the year that its "war service" in behalf of the veteran and the man enlisted in the nation's defensive arms must go forward unfalteringly and without stint of funds. The work of the last five years has welded a close bond of regard between the men who sacrificed and the Red Cross, whose efforts are praised and indorsed by the veterans' organizations. To do all that can be done to soften the consequences of the hard blows of war is the supreme duty of the Red Cross, to which it is giving its best work and most liberal service.

Ouch! Rub Backache, Stiffness, Lumbago

Rub Pain from back with small trial bottle of old "St. Jacobs Oil."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin.

Limber up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years.

POTATOES PROVE TO BE FAVORITE

VEGETABLE OF PUPILS IN NINE COUNTY SCHOOLS

CONTEST LASTS WEEK

Miss Smith Says From 1¼ to 4 Pounds Of Fruit Or Vegetables Should Be Eaten Every Day

The results of the vegetable popularity contest that was conducted last week in nine grade schools of the county by the Nutrition Department of the Nodaway County Red Cross chapter have been tabulated by Miss Smith, the nutrition specialist. It was found that Irish potatoes led the field of twenty vegetables by far.

The children of the grade schools of Hopkins, Elmo, Burlington Junction, Graham and of the schools in Maryville, Central, Franklin, Garfield, Jefferson and Douglass, kept account of every time a vegetable was eaten and reported to their school teacher. This was done for seven days and the totals of each day totaled. The total vote cast for the vegetables in the nine schools for the week are as follows:

Irish potatoes	8100
Onions	3179
Sweet potatoes	2549
Tomatoes	2191
Navy Beans	2139
Cabbage	2055
Turnips	1639
Celery	1597
Peppers	1457
Corn	1323
Lima beans	912
Beets	884
Lettuce	863
Squash	755
Peas	649
String beans	642
Spinach	589
Carrots	461
Parsnips	391
Cauliflower	252

At Hopkins and Burlington Junction schools the pupils made large charts indicating each vegetable by pictures or pasting the vegetable on the chart. In the Seventh B Art Class at Central School in Maryville the pupils made individual charts and two large charts for the use of the grade.

Miss Smith said this morning that the children took a lively interest in the popularity contest and were eager every day to turn in their votes to the teacher and find out the results of the contest. Following up the contest Miss Smith will give lessons in the schools on the value of vegetables.

She says vegetables are a necessity and not a luxury. They may not be so cheap as serials and sugars as sources of energy but they furnish certain substances needed by the body that are not given by these other foods in sufficient quantities.

All vegetables, Miss Smith continued, contain valuable mineral matter needed by the body to keep the blood in proper condition to build up the bone tissues and even to make the heart beat. Iron, lime and phosphorous, the three minerals most likely to be lacking in diet, are supplied by these foods. Fresh vegetables also furnish one or the other, or both of the water vitamins and since both vitamins are necessary for health these foods have an important place in the diet.

She said that leafy vegetables supply also the fat, soluble vitamin, which is necessary for growth and health. Bulkiness in vegetables as well as acids in the minerals make them laxative foods. They are valuable, moreover, because even in limited amounts they add variety and flavor to the diet.

It is necessary to emphasize the importance of using the water in which the vegetables have been cooked; also the water in cans in canned vegetables. Many of the mineral salts found dissolved in the water in case of finely divided vegetables or greens which expose large surfaces to the water as much as one-third to one-half of mineral salts may be found in the water which they are cooked. This water may be used in making white sauce, Miss Smith said, for the vegetables replace part of the milk or it may be added to soups or gravy.

From one and one-fourth to four pounds of fresh vegetables and fruit should be used in diet each day for every individual, she concluded.

TURKEY DINNER MAY BE POSTPONED UNTIL CHRISTMAS

Ballinger, Tex., Nov. 10—It may be possible that the Thanksgiving turkey dinner will have to be postponed until Christmas—if Ballinger turkey raisers are being depended upon to supply your annual gobbler skirmish.

The prevailing price of twenty cents per pound is failing to attract the crop in this district, one of the heaviest turkey producing sections in the country.

The majority of the producers have declared that unless prices show an increase within the next few weeks, they will be forced to hold their much-desired fowls until Christmas.

The crop is almost double that of last year, poultrymen say.

A man ran a retail store and barely made a living. He changed the name of his establishment from "store" to "shop," boosted his prices and rests on easy street.

Will Sparks, Lewis Sparks and Claude Thomas erected a flag pole on the school grounds Tuesday.

The school film that was made last year will be shown at the Gaynor school house Friday night the 16th. The Gaynor school had a part in the making of the film so every patron of the school will be interested in seeing it. No program has been prepared since the showing of the film requiring an hour and a half but there will be good music by the Gaynor orchestra.

Mrs. Bloomfield Very Ill

Mrs. Gle nBloomfield of Pickering is critically ill of uremic poisoning at St. Francis Hospital following the birth of a daughter. She was admitted to the hospital last Friday. Mrs. Bloomfield is the daughter of the late Stant Leech of Pickering who died November 2.

Mr. and Mrs. John Andrick and two children of Ridgeway and Miss Violet Deshler of St. Joseph, who had been visiting their sister, Mrs. Lucy Blakeman of Orrsburg, left today.

Among the Burlington Junction visitors in Maryville today were James A. Spangler, Mr. and Mrs. James Hagey, John Lekey, and C. C. Finnell.

EMPIRE THEATRE

Last Time Tonight

10c—27c and 3c

Under the auspices of the Senior Class of State Teachers College

The story of Pop who paid the bills while his family had the fun. A great lovable motion picture of American family life.

GOLDWYN presents REMEMBRANCE with PATSY RUTH MILLER, CLAUDE GILLINGWATER and CULLEN LANDIS written and directed by RUPERT HUGHES

A GOLDWYN PICTURE

You will laugh at dear old dad and his old fashioned ways. Rupert Hughes has written and directed an absorbing drama of real folks even better than his immortal picture "The Old Nest." With a great cast including Claude Gillingwater,

Patsy Ruth Miller, Cullen Landis. A big Goldwyn picture.

ONE MINUTE WASHERS

Here's a chance for everyone to own a One Minute Washer

FOR THE LAST 22 YEARS THE ONE-MINUTE WASHER has been used by more than a million American women.

Having sold the One-Minute Washer a number of years prior to our coming to Maryville, we are in a position to recommend it very highly and after looking over the washing machine field we found that the One-Minute Washer is the best machine for service and sold at a price that makes it a real value.

TIME PAYMENT PLAN

In order to give everyone an opportunity to own a One-Minute Washer, we are going to sell it on an initial payment of $5 down and a weekly payment of $2.50. The weekly payment wil cost you no more than it does to have your washing done, when you learn the way the One-Minute Washer does the work you will be more than satisfied. Many people will be quick to take advantage of this offer, so be sure to get in early so you won't have to wait.

Membership for every member of the family is the hope of the "Mother" of us all—the American Red Cross.

The ex-service men of this city have gladly assumed the task of covering the whole city next Thursday, November 15. These men are busy men, but are glad of this opportunity to show their appreciation of the Red Cross.

All they ask is, that every family have their Membership money, or checks ready for them when they call at your home. Now talk this over TODAY and do not make it necessary for these "buddies" to call on you but once.

"EVERY MAN, WOMAN AND CHILD A MEMBER" is our slogan.

Do you remember the sport who, when he paid a barber a dime for a shave, gave him a nickel tip? And when haircuts were 20 cents? And when the barber kept his hot water in a little tank on the top of the stove, thus necessitating a little fire winter and summer? And when it was "the thing" to get one's hair all slicked up with bay rum? And to own a private shaving mug, with a picture on it indicating your line of business, if possible?

PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache; no hawking, snuffling, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly.

It is just what every cold and catarrh sufferer needs. Don't stay stuffed up and miserable.

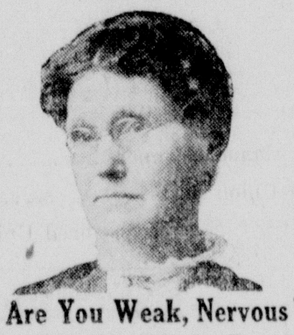
Mrs. A. Shain



Are You Weak, Nervous?

This Advice is Vital to You.

Kirksville, Mo.—"I had a severe case of the La grippe and did not get along well afterward; it left me weak and a nervous wreck, could not do anything. I went on this way for some time, just could not get back my health. I took many medicines but without results. At last I began taking 'Favorite Prescription' and it soon built me up and gave me strength and I felt like a different person. Women who want a good medicine will find it in Dr. Pierce's Favorite Prescription."—Mrs. A. Shain, 402 W. Illinois St.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and [illegible]e.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions.

HALL'S CATARRH MEDICINE consists of an Ointment which Quickly Relieves by local application, and the Internal Medicine, a Tonic, which assists in improving the General Health.

Sold by druggists for over 40 Years.

WOMEN FROM FORTY TO FIFTY

Will Be Interested in Mrs. Hooker's Recovery by Use of Lydia E. Pinkham's Vegetable Compound

St. Paul, Minn.—"I was going through the Change of Life and suffered from a run-down condition and the troubles a woman has to go through at that time, hot flashes, nervousness and headaches. At times I was not able to do my work, but since taking Lydia E. Pinkham's Vegetable Compound I am gaining every day and can do my work with more ease than I have for five or six years. I owe it all to your great medicine."—MARTHA HOOKER, 114 College Avenue, St. Paul, Minn.

When women who are between the ages of forty-five and fifty-five are beset with such annoying symptoms as nervousness, irritability, melancholia and heat flashes, which produce headaches, dizziness, or a sense of suffocation, they should take Lydia E. Pinkham's Vegetable Compound. It is especially adapted to help women through this crisis. It is prepared from roots and herbs and contains no harmful drugs or narcotics.

BACKACHE IS DISCOURAGING

But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Maryville people recommend Doan's Kidney Pills. Read this case:

Mrs. R. Snyder, 1008 East Third St., says: "My kidneys bothered me for some time and I had a dull pain through my back. I felt tired all the time and could not rest well at night. After using a few boxes of Doan's Kidney Pills the pains let up and the feeling of languor disappeared. My health improved generally." (Statement given October 2, 1912.)

On March 31, 1920 Mrs. Snyder said: "Doan's Kidney Pills have cured me of kidney trouble. Since I used them eight years ago I have had no return of the complaint. I wish to confirm my former statement."

Price 60c at all dealers. Don't simply ask for a kidney remedy — get Doan's Kidney Pills—the same that Mrs. Snyder had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

Child-birth

WHEN the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says:

"With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used 'Mother's Friend' and had only a nurse; we had no time to get a doctor because I went very sick—only about ten or fifteen minutes." Use "Mother's Friend" as our mothers and grandmothers did. Don't wait, start today, and meanwhile write to Bradfield Regulator Co., BA-75, Atlanta, Ga., for a free illustrated book containing information every expectant mother should have. "Mother's Friend" is sold by all drug stores—everywhere.

Sister Mary Maura Stood at Her Post

Taught Her School When Fever Registered 103—Born at Pilot Grove, Mo. In 1865

Who in Nodaway County, Missouri has not already heard of Sr. Mary Maura, Clyde, Mo. Since 1896 she continuously taught the St. Mary's or the so-called South Wild Cat School, making the trip every day, in all kinds of weather, from the Convent where she resided to the school two miles distant and in the evening back again to her home. She did so also Friday, November 9th, indeed little dreaming that it would be for the last time. That whole week she did not feel well. On Friday her fever was 103, but she held out like a good soldier on his post. Yet when that evening she returned to the Convent she was forced to take to bed, though nobody considered her condition alarming until the morning of her death which occurred at 6:30 p. m., November 13. A severe cold which had settled on her lungs made an end to her very useful life in her 58th year. She was a native of Missouri, being born at Pilot Grove, Mo., and had joined the Sisterhood at Clyde 29 years go.

It would be like pouring water into the ocean to say anything of her activities. They are an open book to all that knew her; a book written in golden letters; a book of continuous acts of kindness and goodness. Especially the thousands whom she educated read in that book, day by day for years, and all will testify that she was an example of a religious person and an educator of rare abilities. Conception parish, and above all the district in which she taught so long, suffer in her death a loss which is almost irrepable.

Sell Cattle At St. Joseph

The following sales were listed at the St. Joseph live stock market yesterday:

W. R. Linville, Money & Oriley, Appleman Bros., J. Milbank, Humphrey & Wallace, Jas. Billingsley, C. H. Caldwell, Fletcher Dalby, Ed Sherlock sent in a total of 9 cars of hogs and 2 cars of cattle from Nodaway county, Mo.

Fletcher Dalby, Nodaway County, 30 steers, 1005 lbs. $10.—St. Joseph Stock Yards Journal.

Hog Prices are Now Lowest Since 1921

A further dip in the hog market Wednesday carried prices to new low levels for the season. At the local yards the top dropped to $6.75. This is the lowest good hogs have sold since December 16, 1921, when the top was $6.65. This mark was the low point touched in the long-to-be-remembered slump that hit the hog market in the closing months of 1921. The top of $6.75 compares with $8.15 a year ago, $8.05 October 1, last, and $7.25 on November 1. The extreme top for the year, $9.35 was paid September 4. Since that time there has been a gradual decline which in the aggregate has pulled prices more than $2 a cwt. under the high point.—St. Joseph Stock Yards Journal.

Hopkins to Build a New City Jail

(Hopkins Journal)

Hopkins is to have headquarters for the unduly that will be much more inviting than the old city bastile, the contract having just been let for the erection of a new city jail, same to be located on the vacant lot adjoining the northeast corner of the stock yards, and if the "guests" do not object to the scent of the yards which in no way resembles that of violets, all will be well for the structure is to be substantial and modern throughout.

The old steel cage is to be imbeded in cement and the floors are to be of cement. There are to be three separate compartments and Chief Whitten has promised to allow the guests to sleep as late as they want to in the morning, making quite an inducement to go there. The structure will be completed in a short time as Contractor Owens expects to put on a big force of men and the plumbing fixtures, (two or three 12-inch tile,) are ready for installation.

From the conduct of some of our citizens, there is evidently a rivalry as to who will have the honor of being the first guest and if this rivalry grows until the building is completed, each compartment will likely be filled.

Miss Grace Buholt of Ravenwood was a Maryville visitor yesterday.

Miss Cornelia L. Nute of Maitland spent yesterday in Maryville.

Race Horses By Express

(Hopkins Journal)

Bennie Creech arrived home last Friday with his string of ten running horses, coming direct from Huntington, West Virginia, where the last of the racing season for this year ended. The horses were shipped by express, Bennie chartering a special express car for them, and they came through on passenger time, the expense being $489.60. The horses will be kept here until February when they will be shipped to Mobile, Alabama, to again be put on the track. Ben has had them on the fastest tracks in the country and has never failed to get his full share of the premiums, his string being among the speediest of running horses.

Speaks Highly of Agent Ed Goforth

(Hopkins Journal)

Ed Goforth, agent for the Burlington at Maryville, was in Hopkins Monday night, making an address at the Christian church which was much appreciated by all who heard him. Ed is not only a top notcher as a railroad man but takes great interest in church and other work calculated for the betterment of the community and has many friends throughout county and state. The Burlington has had several mighty fine men as agents at Maryville but none have been more painstaking, efficient and popular than Ed Goforth.
